Dear Colleague:

I am writing to inform you that our program has recently moved to a new location and request that all future correspondence be addressed to:

Center for HIV Surveillance, Epidemiology and Evaluation
Maryland Department of Health
1223 West Pratt Street
Baltimore, MD 21223

Your reporting activities are an important component of our ability to measure, investigate, and respond to HIV in Maryland and we greatly appreciate your efforts. For reference, please find the most up-to-date information on HIV reporting and statistics on our website here:

Case and laboratory report forms and instructions for submitting them can be found at:
